Students Get Good Health Report

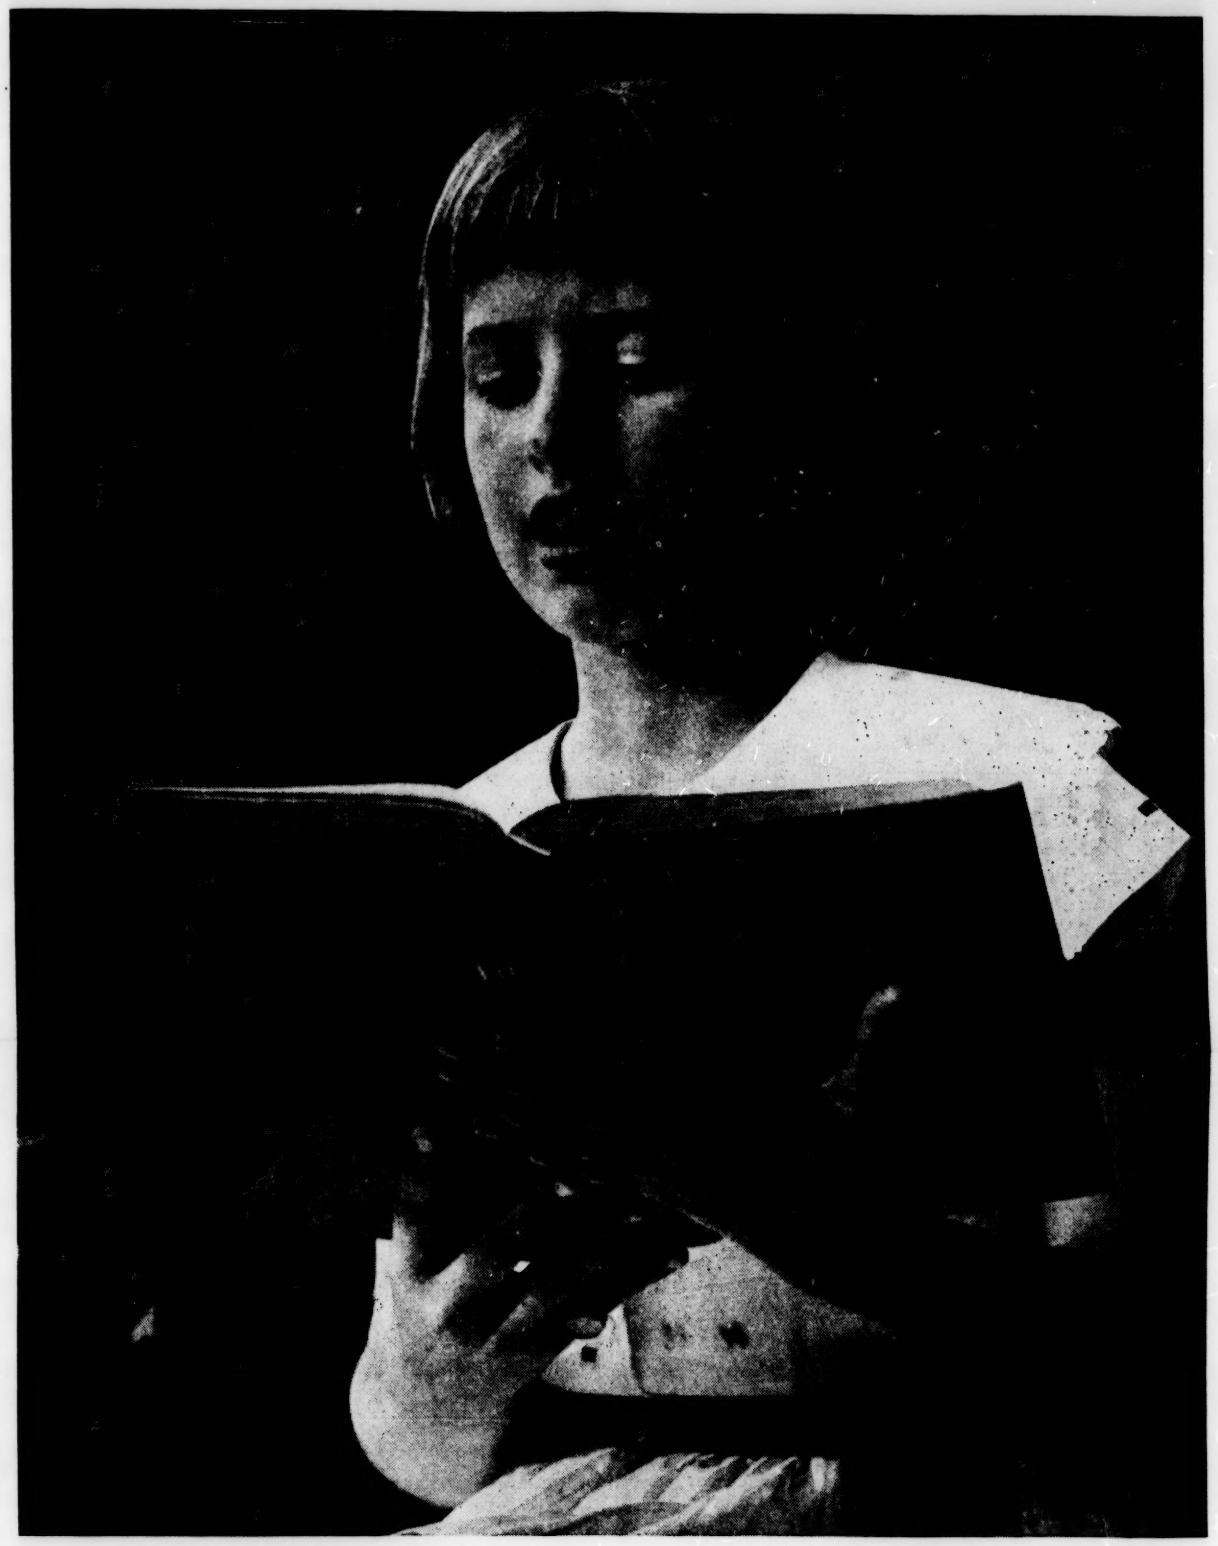
Dr. William T. MacLauchlin of Conover and Dr. John Lafferty of Hickory have completed their general physical check-up of all of the students in the Home. These doctors have seen the children year after year for a number of years and they report that the general state of health is excellent. The records of the examination were kept and every defect noted, and these will be checked by other physicians or specialists during the year. A few children were discovered to have need for special attention for their feet. One child showed symptoms of rheumatic fever and a thorough examination and attention has been given him. Tonsilectomies have been recommended for some. General instruction for the loss of weight and the gaining of weight where needed have been given to the individual child and to the houseparent.

The two doctors were particularly pleased this year with the excellence of the dental care being afforded through the dental program. Dr. Lafferty remarked as he examined the boys that he could tell immediately when one of the children from the village came through the line as his teeth showed that he had not had the care from Dr. Smith Kirk, dentist for the Home. Along this same line, recently an orthodontist who had done work for the Home was quite surprised to find the excellence of work done. The regular hours, the sufficient diet, good habits, and plenty of sleep all contribute to the good sound health found in the group of boys and girls who live at Barium Springs.

Flag To Fly Over The Campus

The Post Office at Barium Springs has purchased a big new flag which will be flown daily from the high cedar pole erected beside the Post Office. This flag pole is taking up duty in its third location. Originally, it stood in the center of the campus. It was then later removed to the football field and stood on the high bank at the north end of the field. Now, it has been removed to the Post Office building to unfurl Old Glory.

The flying of this flag will bring a symbolism to the campus for on its southern boundary will be flying the flag of the United States, representing country, and on the northern boundary will be standing high above the campus the cross of Jesus Christ on the steeple of the church. During the day, every day, as the people come and go to their cottages, their school, their work, their play, there will be standing high above them these two great symbols . . . "One nation, under God . . ."



THE TWO MOST IMPORTANT THINGS AT BARIUM SPRINGS—THE CHILD AND GOD'S WORD! (Photo by Max Tharpe)

3-Day Institute Led By Oglesby

A year's planning reached its fruition in the arrival of Dr. William B. Oglesby on the campus on February 20th to conduct a three-day training session for the workers of the Home. The theme for the four two-hour sessions was "Understanding the Child." Houseparents and other workers of the Home were unanimous in their praise for the leadership of Dr. Oglesby who understands the problems that arise in group living and has the ability to lead the group to understand how to deal with the situations.

The In-Service training program is one of the greatest needs of the Home. The money is not available to send the workers to training centers, and there is no one to care for the children while they are away. Therefore, it is indispensable that some means be provided for bringing the guidance to the campus where the study can be made in the setting in which it is to be most effective. Additional plans are being made now for such an In-Service training program once or twice a year for all the staff members of the Home.

40 Children Attend Scout Jamboree

The Girl Scout Troops of Statesville and Iredell County invited the girls at Barium Springs to be their guests for the day. Forty of the younger children were able to accept this invitation and spent the day with the Scouts in Statesville.

They had a visit to the Court House with a ceremony there, a recreational program, a picnic lunch together, and all that goes in for making a wonderful day with a fine group of children adding pleasure to living and the making of many new friends.

SHRUBBERY ADDS BEAUTY TO CHURCH AND MANSE GROUNDS

The month of February brought something new to the campus which adorns it greatly. The loveliness of the new church building has been greatly enhanced by the planting of shrubs around it. Plans had been approved by the Board of Regents in the fall meeting for the planting and the services of the Howard-Hickory Nursery had been secured. This planting gives the church picture a completeness that has been absent. With the coming of spring and the green of the lawn and the shrubs, the building seems to stand more gracefully on the hill and seems to be a living part of the campus.

The intent of the architect has truly been met. His idea was to create a focal point on the campus and this has been done. For the campus and for all who travel Highway 21, north or south, the church stands out as a place of beauty with its symbolism calling the attention of the onlooker to the cross of Jesus Christ. Not only is this done during the daytime, but with the tower illuminated and the front porch flooded with light at night, the church stands as a witness for people of the community and the thousands who pass this way.

Have You Seen The New Film?

A beautiful new 16mm film in sound and color is now available. There are five copies on file in the office and you may have one of these reserved simply by sending in a request. The title of the film is "When the Bough Breaks." It is the story of Barium Springs. The persons who have seen it have been delighted with the quality of the film and the message that it tells. It is yours for the asking to use for the Sunday School, Men of the Church, Women of the Church, and congregations. Send your requests now.

NEWS FROM THE COTTAGES

Howard Cottage

Hello, its the bean stringers again,—What a wonderful month! Spring is in the air. We have found lots of flowers sprouting up. In the month of February we had three birthdays. We gave surprise parties for Sue Bush, Joyce Ann Hughes, and Shirley Hall. Shirley was the most surprised. Her party was in the apartment. Ann McLean, Bunny, Roger Ruff, and Miss Taylor were there. Everyone had a wonderful time.

We had three girls who made the Honor Roll. They are Linda Sue Medlin, Joyce Hughes and Sue Bush. We hope they keep up the good work.

We have a new girl over at Howard. Her name is Martha Trivette. She is fourteen and is in the seventh grade.

The Bean Stringers

Lees Cottage

Our boys' basketball team lost the tournament at Concord last Friday night but we were not too discouraged. We have forty-one trophies that are still highly commendable to our teams of the past.

One of our former Sunday School teachers has recently moved to Illinois. We were sorry to have him leave us but we are sure that he will be happy in his new home.

Since kite-flying season began in these parts than are comprehensible. Everyone in our cottage was able to get a kite or two to fly.

Basketball may be over for the older children but we are still going strong. The sixth grade played the seventh last week and beat them both games. They plan to play the fifth a few games sometime soon.

Our campus seems to be saying good-bye to old Winter as it takes on the golden touch of Spring. Most of our big family is glad Spring is here again.

(Continued on Page Three)

Lottie Walker Building

Nancy Ferrell and Bunny Kuykendall were honored last month at a steak dinner. The occasion was that they both made the Honor Roll. We were very proud of them.

The girls from Lottie Walker went to Concord last week to watch our boys in an exciting game. Among the girls there were our cheerleaders, Joyce Ferrell, Bunny Kuykendall, and Peg Sellers.

Basketball ended last week for the girls and even though our season was not a successful one, we were happy to find out that the boys came in fourth place.

Joyce Ferrell, our only senior, will be going home this Friday for her senior week-end. We hope she has a good time.

That's all the news for now.

See you later—

UNDER THE STEEPLE – Nuggets of News

FROM LITTLE JOE'S CHURCH

ROBERT R. COLLINS, *Minister*

This month I should like to share with you some thoughts about Easter. For all Christians Easter recalls the most important day in the history of the world. Had it not been for that which occured on this day some nineteen hundred years ago, you and I probably would never have heard of Jesus Christ. You will remember that even those disciples who had been Jesus' closest companions thought all their hopes and dreams had come to an end when Jesus was crucified. The two who walked dejectedly along the road to Emmaus (Luke 24:13-35) were certain that their hope that Christ was their redeemer was dead. But then the great moment came when the risen Christ joined them and entered into conversation with them. Still they did not know him until He made as though He would leave them, and they invited him in "to stay with them." And as they sat at the table and broke bread together "their eyes were opened and they recognized him . . . ".

The experience of these two men who walked the dusty road to Emmaus is much like our own. We too often find ourselves plodding along life's way with problems and burdens too great to carry alone. Someone speaks to us, but being wrapped up in our own thoughts we pay no attention to His words. Then one day, we like them, invite this One who has been with us all the while to come into our homes. We make Him our true guest, we invite Him to break bread with us. Suddenly our eyes are opened also, and we are aware that all along it has been Christ who has sought to speak to us and reassure us. For the first time we know the true meaning of the words spoken by the angel at the tomb when he said, "He has risen, He is not here . . ." We know that our Lord is a Risen Saviour who cannot be limited to one locality or to one individual or group. We discover for the first time that when Jesus said, "lo, I am with you alway", He was speaking to every individual who should accept Him as Saviour down through the centuries.

You and I will probably enter the church this Easter Day. But all of the loveliness of the lilies and all of the beauty of the sacred music will fail to touch our hearts unless we have first discovered for ourselves that "He is risen"! Until each of us has met Him along life's road and taken Him to the heartstone of our lives Easter shall be an empty and meaningless day. But if He is truly our Saviour, then we shall know that all of our deepest desires and most perplexing questions are understood by Him. We shall enter into His House on Easter Day with triumphant gladness and as we break bread together at the Lord's table the one who has said to us, "Come", will be no stranger. With thanksgiving to God in our hearts the words of the hymn of dedication shall be upon our lips as we sing:

There is a green hill far away, Outside a city wall,
Where the dear Lord was crucified, Who died to save us all.
We may not know, we cannot tell, What pains he had to bear;
But we believe it was for us, He hung and suffered there.
There was not other good enough To pay the price of sin;
He only could unlock the gate of heaven, and let us in.
O dearly, dearly has He love, And we must love Him too;
And trust in His redeeming blood, And try His works to do.

COTTAGE NEWS

(Continued from Page Two)

Ford's Cottage

Miss Ford's family is still growing. Jerry Drum, a red-headed second-grader has become one of our family.

The boys' basketball team went to the conference in Concord and lost by a few points. Tough luck, but they came out in fourth place.

The sixth and seventh grades played each other in basketball. The sixth grade won. The fifth grade will play the sixth grade Tuesday, March 6th.

Miss Ford got us some kites. Most of them were torn up the first day but a few kept theirs for quite some time.

We are glad it is getting warm. We have had to stay in the house a lot this winter. It is so muddy around our house. We hope to have some cement walks by next winter.

So long till next month.

Annie Louise Cottage

Hi Folks—

Here we (the "kids") come again with a dab of news from our cottage. This is a secret from our housemother—she doesn't want us to call each other "Kids."

We are all so glad for warm days again. There has been so much cold, damp weather that we have been cooped up in the house a good deal. We are really thankful for the rain because it helps make food grow. You know it takes a lot when you have so many little (and big) mouths to feed like we have here at Barium.

The robins and red birds are coming back again. A few flowers have started peeking at us. The bees and wasps are just around the corner, and you know what that means. (Oh, My Toe!)

One Saturday when we were bathing the little girls one of them had dirty ears and she said that she could not get them clean, so a "smarty" asked her why she didn't take them off and soak them in hot water. (I can just see her—No ears!)

We have been to the movies again lately. We went to see "Glory." It was very good. We still have one more ticket for the Playhouse. We just love going to the State and Playhouse in Statesville. Thanks for the tickets.

These warm days make us think of going bare-footed. We say we wish we could go bare-footed so much that our housemother said she didn't want to hear any more about that because there would be more frost and then we would be in a terrible fix.

Well, keep your ears tuned and your eyes open for the round-up news next month. So long folks,

"The Kids"
